NEW WATER STORAGE SITE SOUGHT

Looking ahead to Mattapoisett's water needs to the year 2,000, Mattapoisett Water Commissioners informed Selectmen of very promising progress for a third standpipe site. The Commissioners have been looking for a site in a high elevation to supplement the present tanks on North Street and the east end on Route 6. The Water Commissioners have located a suitable site south and east of the Industrial Park which is midway between the present storage tanks. They have approached the owners, Dennis Mahoney and Sons and David McIntire, president of the firm, offered the land in exchange for a small strip parcel owned by the town adjacent to the Industrial Park. Winfield Jenney said the Commissioners said that another strip in the vicinity was available for \$10,000.00 which they felt excessive. The town authorized \$2000. for the search for a storage site at town meeting.

The Selectmen discussed several pending matters with the Town Counsel.

Fines - Selectmen noted that traffic violators are not now penalized for infraction. They have considered fines in area towns ranging from \$2. to \$10. per ticket. Selectmen feel a \$5. minimum fine will provide a deterrent without hardship and will cover administrative costs.

Railroad right of way - A question has been raised as to the town's ownership of the railroad right of way. Town Counsel Donald Fleming recommended that a title abstract be done to settle that question since the bed is the proposed route of the sewer tie-in with Fairhaven. The cost of the abstract is estimated at \$2200 and Executive Secretary Stephen Lombard will check with Tighe & Bond to see if funds are available to cover this amount.

Outdoor Signs - Selectmen noted that there is no town by-law permitting off premises signs. Mr. Fleming suggested that a by-law to permit such signs will authorize Selectmen to control such signs through special permits. He suggested that a by-law be prepared for the warrant.

Ambulance Garage - Selectmen agreed to

General Liability Insurance - Selectmen noted that Westport and other towns have adopted a general liability insurance protection for Selectmen against law suits resulting from town decisions. Chairman R. William Blasdale asked the matter be researched for future decision.

REVENUE SHARING FUNDS IN

Mattapoissett received \$28,188.68 from federal revenue sharing bringing the total amount in the revenue sharing account to \$224,437.30.

Quarterly employment figures received from the same source put Mattapoissett's unemployment at 6.6% down from 7.7% for the last quarter. The amount of \$3,387 was received in anti-recessional assistance computed from that unemployment figure.

Letters to the Editor

May I join you wholeheartedly in gratitude to our Finance Committee members for their thoughtful letter to the Old Rochester School Committee, and also thank you for the space allotted to this frightening problem.

One can only hope there are enough serious-minded, thinking taxpayers who will study these figures and realize what a short time it would take for us to be facing a complete closing of the schools as in Ohio or bankruptcy as in the case of New York, Boston and many other places. Let's face up to it before time runs out on us.

Lilian M. Wood

5 Oakland Terrace, Mattapoisett

The January 17, 1977 issue of the Standard-Times carried an article about the Mattapoisett Teachers and School Committee. I feel that the town was badly misled by this piece and the record should be set straight.

The article stated that the contract feud was just now settled. In actual fact, the parties came to an agreement early in December. According to that agreement,

teachers with 0-4 years of service will receive a 5% salary increase. Teachers with 5-9 years of service will get 5 1/4 and teachers with 10 years or more will be given 5 1/2. In the second year of the contract the teachers will receive 6, 6 1/4 and 6 1/2. The numbers represent a dollar figure considerably lower than those quoted by the New Bedford paper.

A new provision of the contract states that teachers wishing to retire after 10 consecutive years of service to Mattapoisett may buy back unused sick leave days at the rate of \$10. per day up to a maximum of \$500.00. It presently costs the taxpayers \$20. per day when substitutes are used.

Re-writing of submitted articles by people who did not attend the meeting is folly. The

I would appreciate your publishing the following letter which I have written to Mr. Harry J. Schmitt concerning the following matter:

"My delinquency in paying the bill of \$70.40 for the use of the Town Wharf during April and May of 1976 is for the following reasons:

1. No restroom facilities were provided. (Even though I had an infant of 10 months aboard, the "holders" of the key to the bathroom refused us entry... I have since found out that the fish market was closed down; they had the key.)
2. The two boats hauled together, Voy-

ager and Magic Venture, represented literally thousands of dollars of income for the area..This nuisance tax imposed upon us causes me to think twice about the priorities of the Wharf Commissioner. Although the tax has been on the books for some time, it is my understanding that it was imposed last year for the first time --Why?

3. Is Mattapoissett interested in preserving and fostering its maritime heritage or more interested in creating a parking lot on its waterfront?

"I reluctantly am paying the bill of \$70.40 with this letter as I wish to return to Mattapoissett with a clean slate. However, I do think that the town fathers should re-examine their priorities.....Are they more interested in improving an environment conducive to growth for the area's craftsmen and boatyards or in turning a fast buck for renting out space in the town's parking lot?"

Every hometown across this country has a list standing in a prominent place inscribed with the names of servicemen. Up to now this has been a role of honor. Some on the list are dead - young lives cut off, some are maimed, some are in hospitals still and the fortunate ones are those who returned from a war little understood and heartily hated by all involved directly in its battles. Only fools go

eagerly to war. The fearless are without imagination or good judgement. The brave know the odds and proceed with discipline to accomplish an objective that better judgement rebels against. There are many named on honor rolls who saw no advantage to a war, did not want to take a particular ridge, hill or beach at risk of life but did. Some died for an obscure objective. Are they the fools? Should they have assessed the United States' role in the world for themselves? Should each have weighed the value of his own participation against his duty as a citizen? Should they have deserted to a foreign country saving themselves and leaving the duty to others? Should they have become fugitives from United States law until a President, Jimmy Carter, forgave them with a stroke of his pen with his oath to defend the United States still hanging in the air?

These questions will haunt. This was not the earned return to this country offered by

Organizing for '79!

FOUNDER'S DAY COMMITTEE MEETING

To all organizations, groups and persons
in Rochester, Mattapoisett, Marion and
Wareham:

The first meeting of the Founder's Day
Committee will be held on Friday, Febru-
ary 4th, at 7:30 P.M. in the meeting room
of the Rochester Fire Station. We urge
everyone to attend this very important meet-
ing to organize events to celebrate the
300th anniversary of our founding.

We will ask the different groups to spon-
sor and organize one or two events, thus
spreading the workload and involving more
people.

If you cannot attend, but will plan your
event, such as your annual clambake, dance,
regatta, etc. during the month of July, 1979,
as a Founder's Day event, please write the
name of your organization, the event and
your approximate date, and send to Conrad
Bernier, Robinson Road, Rochester, MA.

League of Women Voters

When a child born today reaches maturity what will the world's supplies of gas and oil be?

Will the unlimited supplies of oil in the Middle East mean our involvement in Near East political affairs?

How does our consumption of energy to operate air conditioning compare with China's total yearly consumption?

These questions and many others equally as important and thought-provoking will be examined in two energy films sponsored by the League of Women Voters, Marion Area on February 3. The films will be shown in St. Gabriel's library at 7:30 P.M. Refreshments

LITTLE LEAGUE BASKETBALL

After a week of snow Mattapoisett Little League Basketball got underway Friday, January 14, at ORR Junior High with the Orange team overtaking the Greens 20-6. Scott Purtell was the highest scorer with 6 points for the Oranges. The second game of the evening was the Blacks vs. the Purples. In a 21-20 game it was the Blacks who lost by 1 point. Phil Barber was the high scorer for the Purples with 10 points and Chris Riley with 14 points scored for the Blacks.

Saturday, the 15th, saw another close one with the Purple team winning with 18 points to the Golds 17. Scoring 6 points each were Phil Barber of the Purples and "Putt" LaPlante of the Golds.

Monday, the 17th, was an exciting night when the Blues who were trailing the Whites by 3 points called time out in the last 20 seconds of game time and came back to let Gerald Lanagan score 4 points to beat the Whites 22-21. High scorer for the Blues was Gerald with 14 points and for the Whites Chris Lomba with 14 points and Russ Bailey with 7 points to make up the Whites' total 21 points. In another ex-

tapoisett will take orders from January 28 to February 12 for Girl Scout Cookies, which will be delivered between March 22 and April 1.

Mrs. Kennedy who is the local Cookie Chairman said that the local troops receive twenty cents for each box sold which supports a wide variety of troop activities planned by the

girls. Plymouth Bay Girl Scout Council uses its share of the cookie sale proceeds to recruit, train and give ongoing, professional help to troop leaders, to provide camper-ships, and to maintain camps for day, resident and troop camping.

A portion of the funds to support Girl Scouting in this community is provided by the Greater New Bedford United Way. (If applicable.)

We did it - - - BECAUSE OF YOU!!

We have surpassed the 1976-77 membership goal of 300 AND WE THANK YOU.

The officers of the Mattapoissett Land Trust, Inc., appreciate the generous support of year-round and summer residents of the town and of friends in other communities who have enabled the trust to solidify its status as one of the best-supported land trusts, per capita, in New England.

This support will help insure open space, undeveloped shorefront property, woodland, marshland and wildlife habitat in Mattapoissett for future generations without the use of tax dollars.

Soon, NBIS will offer you a little plastic card that works wonders.

(No, it's not another
credit card)

...it's VEC!

In a few weeks NBIS will be offering you
a VEC Card*.

It's a brand-new banking idea that puts little machines in handy places like supermarkets which can mark your personal, government or payroll checks "OK to cash" when you show your little plastic card.

This means you can cash checks in lots of other convenient places besides a bank...and even out of town, wherever there's a little VEC machine!

In a few weeks (by the time we begin offering VEC Cards) these little machines will be in 7 Fernandes Supermarkets (including New Bedford's) and 43 Star Markets — all located in Eastern Massachusetts, and as far north as Gloucester!

And there's more! Besides helping you cash checks in more places, your important little VEC card will let you operate our super-handy 24-hour "Bionic Tellers" — NBIS' new electronic marvels due to begin arriving within the next 6 months! Two more "somethings new" from NBIS.

Coming Soon — the first 'New from NBIS' for '77.
